SPECTATORS WATCH BATTLE

(Associated Press Cable.)
EL PASO, May 8.—Desperate fighting took place across the river in and around Juarez today.

During the fighting the house-tops and river banks in this city were crowded with spectators, who refused to keep under cover. Bullets from the battle-field flew quickly about this city and five Americans were killed and a dozen or more wounded.

Cabinet Confers.
MEXICO CITY, May 8.—President Diaz has called a meeting of his cabinet to confer on the new turn of affairs at Juarez.

RECALL FOR ARIZONA.
WASHINGTON, D. C., May 8.—The House passed the free list today by a vote of 236 to 199. Over one hundred amendments submitted by the Republicans were rejected.

The House committee on Territories submitted a report recommending that the Arizona constitution be amended by the re-submission to the people of the proposed new State of the recall feature, so far as it affects the judiciary. As it stands a judge of any State court could be recalled on petition of a percentage of voters.

ANOTHER BIG FIRE IN JAPANESE CITY

TOKIO, May 8.—A disastrous fire wiped out over one thousand homes in the city of Yamagata today. No estimate of the loss has been made, but it is large. No casualties have thus far been reported.

NEW YORK PHONES TO DENVER.

NEW YORK, May 8.—For the first time in history, the human voice has been carried for a distance of 2000 miles, establishing a record which a few years ago was considered an impossible feat.

A conversation was carried on over a telephone wire last night between this city and Denver. The experiment is considered a practical success.

EXCURSION TO MAUI

All of the staterooms on the \$3 excursion to Maui on the 27th have been taken. Those who subscribe now will have to sleep on mattresses on deck.

Manager Field of the Maui Hotel was in the city yesterday and stated that twenty-five horses may be secured with saddles for the day for a dollar and a half each, if those who wish them will notify him in advance. Manager Field returns to Maui today and will send back word as to auto and rig party rates. He will provide the three meals on Sunday, the 28th, to those who notify in advance, at a dollar and a half for the day—breakfast at the Maui Hotel, lunch at the Iao Valley house, or packed for those who go on the trail; dinner being served at the Maui Hotel, Waialuku.

The autos charge a dollar and a half from Waialuku to the end of the carriage road up Iao Valley, and return. The horse trail continues several miles further. It is but two and a half miles from the Waialuku Hotel to the hotel in Iao Valley.

The cashier at the Hawaiian Trust Company will receive the three dollars for tickets, but he can not answer any questions further than the above.

ECZEMA A GERM DISEASE.

Myriads of Microscopic Animals In, fest the Skin of the Sufferer.

When the skin of an eczema sufferer itches and burns in untold agony, do you know what is going on within the pores of that skin?

Myriads of microscopic animals are gnawing at the flesh, breaking down the fine cells and causing festers, thick scales and that terrible itch. The germs multiply faster than Nature can throw them off.

Now, there is only one way to get rid of these germs—they must be killed in their lodging places. Dosing the stomach or trying to cure the blood will not, of course, kill the germs, and that is why all the blood remedies fail in eczema; that is also why salves which do not penetrate can do no permanent good.

Ordinary oil of wintergreen properly compounded in liquid form will penetrate the pores of the skin and kill the eczema germs. If properly mixed with thymol, glycerine and other ingredients (as in D. D. D. Prescription) this wash will build up the tissue of the skin and promote its healthy growth, giving Nature a chance, while killing the germs faster than they can multiply.

Honolulu Drug Company of this city recommends D. D. D. Prescription, also D. D. D. Soap.
